

Carroll Catholic School – Student Health Requirements

Preschool / Prekindergarten (first year of enrollment)

- ✓ Complete physical exam including immunizations (including hepatitis B), diabetes screening, and lead risk assessment

Kindergarten

- ✓ Complete physical exam including immunizations, diabetes screening, and lead risk assessment
- ✓ Complete vision exam before October 15 of the current school year
- ✓ Dental exam completed within 18 months prior to May 15 of the current school year

2nd Grade

- ✓ Dental exam completed within 18 months prior to May 15 of the current school year

5th Grade

- ✓ Documented evidence of completed hepatitis B vaccination series

6th Grade

- ✓ Complete physical exam including immunizations and diabetes screening
 - Students entering 6th grade shall show proof of having received one dose of MCV4 (meningococcal conjugate vaccine).
 - Students entering 6th, 7th, or 8th grades shall show proof of receiving one dose of Tdap (containing tetanus, diphtheria, acellular pertussis).
- ✓ Dental exam completed within 18 months prior to May 15 of the current school year

New students (to Illinois schools)

- ✓ Complete physical exam including immunizations, diabetes, and lead screening
- ✓ Complete vision exam within 30 days of enrollment

NOTE

- Immunizations must be current and on file with the school by October 15 or a student must be denied admission
- Physical examinations must be dated within one year of the date the student enters school; parents to complete and sign health history on the physical exam form
- IESA Pre-participation Examinations and IESA Physician's Certificate for Athletes do not meet the physical examination requirement
